

**CHURCH SCHOOL ENROLLMENT
INFORMATION AND PROCEDURES**

Parent or Guardian:

The information below is to familiarize you with the Church School enrollment procedures and to assist you in complying with the law. Please review the information and then complete the Church School Enrollment Form in duplicate or triplicate as the need may dictate.

The Alabama State Legislature recently enacted a law concerning the enrollment and attendance of children in church schools. The term "church school" shall mean and only include such schools as offer instruction in grades K-12, or any combination thereof including the kindergarten, elementary, or secondary level and are operated as a ministry of a local church, group of churches, denomination, and/or association of churches on a nonprofit basis which do not receive any state or federal funding.

The law generally exempts the church schools from the supervision of the state but does include certain requirements concerning the enrollment and attendance of church in church schools. Specifically, the following requirements shall apply for the parents, guardians or other person in charge or control of a child who is enrolled in a church school:

1. The enrollment and attendance of a child in a church school shall be filed with the public school superintendent on a form provided by the superintendent or his agent.
2. The enrollment form shall be countersigned by the administrator of the church school and returned to the public school superintendent by the parent, guardian, or other person in charge or control of the child.
3. The church school administrator, by prior consent of the parent, guardian, or other person in charge of the child at the time of enrollment, shall notify the local public school administrator or his agent that said child no longer is in attendance at a church school.
